Edification Cornerstone Partners with Right Now Training To Offer Online Bible Classes

The sessions are designed for members who are unable to participate in on campus Bible Study due to busy work schedules, locality, various seasons of life, etc. We understand that Bible Study is critical to the spiritual growth of every Christian. Our desire is to eliminate any excuses one may have for not studying God's Word (the Bible) on a regular basis. Consequently, we provide several opportunities for members to engage in Bible Study.

Our most recent opportunity allows members to participate in Online Bible Study. We have partnered with Right Now Training to offer this to our members. You can now take a Bible Study class online at your convenience. It is simple. You register for the ROA Featured online class via the Church's website www.roabc.org. There is a \$10.00 technology fee that is due per 5 week session. Once you register, you will receive instructions via email from Right Now Training. You will set up a free account to include your user name and password. Once you set up your account information, you are ready to go. You simply go to www.rightnowtraining.org and log in. You will search and select the ROA Featured Bible Study for which you registered. Simply follow the instructions to start the Bible Study. You can access the Bible Study on any device with internet access. You can start, stop and progress at your own pace. You will receive a syllabus, study questions for each segment of the Bible Study that you must complete and submit to your ROA Online Facilitator/Teacher. To receive credit for the course, you must complete the session within the 5 week period and complete the class study questions and submit to your Facilitator prior to the conclusion of the 5 weeks.

Should you have any questions and/or need technical support, please contact our Online Edification Ministry at powerintheword@roabc.org and or media@roabc.org

As a bonus, during the 5 week period, you will have **Free** access to any of the other online Bible Classes. You may be struggling in an area of your life or going through a season of challenge. You will find help in various areas; parenting, family, work, marriage, etc. It is our prayer that you will take advantage of this opportunity to gain Christian knowledge and Biblical teaching on various areas that you may be dealing with in your life. We believe this program is truly a blessing to the body. It is our prayer that you will find yourself spending more time studying God's Word. At the end of the 5 week period, your access is suspended until such time you register for the ext 5 week session.
